PAY
FOR A
DAY

"GOODNESS IS THE ONLY INVESTMENT
THAT NEVER FAILS"
- HENRY DAVID THOREAU

Ouseburn Farm is a working city farm in Newcastle upon Tyne. Every day, we tackle some of the biggest issues in our region, from helping adults with learning difficulties or

employability, to providing local children with access to a green space, so they can learn about things like the origins of food and the issues of plastic pollution.

We also have an upcycling workshop and pre-loved warehouse providing training opportunities, both in keeping with our sustainable ethos. We really are a **place for growing**.

But this costs money, and we rely on the goodwill of others to cover things like staff costs, animal care, volunteer expenses – the list goes on...

And that's where you come in.

Our **Pay for a Day** scheme lets companies contribute **£1300** via donation or by fundraising. This covers our running costs for a day, lifting the financial pressure we continually face.

THIS IS WHY IT'S IMPORTANT:

In one day alone, your donation would cover:

- **Educational workshops** for over 12 adults with learning difficulties and disabilities who want to move their lives forward.
- Teaching **local school children** about leaving a lasting environmental legacy (many won't have seen farm animals, tasted fresh vegetables or heard of recycling).
- **Changing the lives of those who've been homeless** or removed from the job market through catering, carpentry, retail and upcycling workshops.
- Feeding and caring for **over 80 animals** who all have a safe home at the farm. That's a lot of mouths to feed.

We realise it's a big ask, but in turn, we'd promote your good deed on our social channels, giving your brand free publicity and marketing exposure. What's more, you'll feel good that you've **changed the life** of someone who regularly spends time at the farm.

"DRUMMOND CENTRAL HAS BEEN SUPPORTING THE FARM FOR OVER TWO YEARS NOW AND IN THAT TIME I'VE BEEN INTRODUCED TO SOME OF THE MOST PASSIONATE AND DEDICATED PEOPLE I'VE HAD THE PRIVILEGE OF MEETING. IT'S AN INTEGRAL PART OF THE REGION AND WE'RE PASSIONATE ABOUT PROTECTING ITS FUTURE"
